***Dave Harmon-** They had the keep the heat on presentation last week. Just want you to know that the Gentleman who started the Keep the Heat on program, Ed Newell, passed away last week.*

Also, what is going on with the Communications Tower.

Selectmen Blier- We just got the survey on the land done. They also got all the dispatch equipment installed up and running. They are working on the transmitters throughout the Town. That's where we are right now.

***John Bartlett-** How come they waited until Saturday to pick up the trash last week.*

Selectmen- We are not sure why they did that; you would have to talk to Greg.
