Public Comment and Questions

Lisa Crockett- When is the voting for the electrical permits that you spoke on last week.
How much does that permit cost.

Selectman Blier- It will go before the Town for vote in June. What is being proposed is that
we will hire a contractor to do the inspections and Patti will issue the permits. She is not

certified to do the inspections. The cost will be presented in June, we don't know what those costs will be yet.
