Review of Projects and Issues

Selectman Blier attended the Comprehensive Plan Committee meeting last Monday night, the topics were solar panels and impact fees. Selectman Blier liked the theory of leasing town land to house solar panels, like in the Town of Saco.

He has also reached out to Jen at DEP regarding a site plan review for the proposed project behind town hall. An engineered site plan is required, he was looking into this further.

Selectman Poitras has been working with Public Works Director Kevin Kimball on a bill he received for materials ordered. It has been resolved.

Selectman Santolucito had a discussion with Thrive Networks and Treasurer Kim Beam. We are reviewing the contract and will be moving forward after the first of July.

Selectman Harmon attended the MSAD#6 District Budget Meeting last Thursday. She announced the budget did pass. There were twenty-three Buxton residents in attendance. She explained, that when you come to vote on Tuesday, June 11th, it will be just a yes or no question on the ballot, you will not see the dollar figure. The budget was around forty-nine million.

Selectman Harmon thanked the Public Works Crew for the excellent job they did picking up and installing the two concrete picnic tables for Pleasant Point Park. The tables were made by Stonecraft, a local company on Dunnell Road. They are beautiful! She also thanked the Crew for fixing the rotted fence at Carroll Park.

The Town of Buxton now has a Facebook page, put together and maintained by our Rec. Director Nichole Welch and Kim Beam. Search and like us!!
