*The Board also received a brief summary about yesterday's elections. Congratulations to Selectman Poitras for another three year term as Selectman and Selectman Blier for Republican candidate for the State Representative.*

*Review of Correspondence*

- *Email from Jonathan Youde Program Officer of Maine PowerOptions Re – MPO Forward Capacity Overview it's not a huge impact on Buxton, due to our size*

*Review of Projects and Issues*

*Selectman Harmon is preparing for the town meeting on Saturday. Yesterday was voting day and it seemed a little crazy. One issue was that we had three ballot machines, one machine was designated for the state ranked choice voting only. This created a back log and confusion. The staff did the best they could with all the issues that popped up and hopefully we will have another machine on site for the November elections.*

*Selectman Blier is working with Kandice Talbot and DEP regarding the use of the land behind the town hall. After the next Comprehensive Planning meeting the Committee will take the month of July off and reconvene on August 6. The Board and other town officials attended the soft opening at the Buxton Commons Restaurant. The food was excellent and it will be a great addition to our community.*

*The signs are in for Bonny Eagle Park, they look great and will be installed next week. Thank you to Jeremy Montgomery, he did a great job.*

*Selectman Poitras attended the Buxton Common soft open house, adding the food was really awesome. He stopped in to vote and reported that there was a 28.75% voter turnout, which is a good turnout for a primary election.*

*He spoke with a local ATV club member regarding renting a piece of town property. Selectman Poitras encouraged them to schedule a meeting with the Selectmen. He also spoke with Public Works Director Tom Kennie concerning the safety signage in the Moderation Village area.*

*Selectman Santolucito announced that tonight's meeting is not being broadcast live due to technical issues. It will run on the local access channel on Fridays at 9:00am and 7:00pm and then again on Sunday at 7:00pm. It can also be seen on the Saco River Community web site.*
