Public Comments and Questions

***Dave Harmon-** Concerns about trash collection on private roads, and if there is a list of roads that we collect trash on.*

Selectmen- We are not illegally picking up trash on private roads. The roads we are currently collecting have been on the routes for many years.

***John Bartlett-** When can we expect the new trash cans for automated pick-up?*

Selectmen- We are still waiting to hear from Cassella. When they buy the new truck, they will get the trashcans and start disbursing them. They will let us know, but it probably won't arrive before January.

Executive Session
