Review of Projects and Issues

Selectman Pulsoni was in all week going over budgets the Board has received so far. He also spoke with Chief Cline on a personnel matter. He spoke with two residents regarding the Human Resource position. He explained that he is not qualified for that position, he has been appointed as a point of contact person for employee personnel issues. This is the first step to see if the town warrants the need for a full time HR position. Chief Schools was in last night with the Fire Dept budget and the Board met with Greg Heffernan in the office this evening, which finished out his week.

Selectman Santolucito was in last night for the presentation of the Fire Dept budget. The Board is seeing a lot of needs, but limited dollars and they will be working through those issues for the next month.

Selectman Blier and Public Work Director Kevin Kimball drove to Ogunquit to look a piece of equipment for the town to possibly purchase to do the roadside mowing. There will be further discussion before a decision is made. On Monday he reviewed budgets and then attended the Planning Board meeting workshop. Chief Schools was in Tuesday night to review his Fire/Rescue Department budget.

Selectman Blier added, there are a lot of needs and the Board is trying to be cautious of the taxpayers as well, it is very difficult.

The Comprehensive Plan Committee is looking for members if anyone is interested. The next meeting will be March 16th at 6:30PM, where they will meet with the site evaluator regarding the land behind the town hall.
