**Public Hearing – 7:00 PM**

*Application for Liquor License renewal and Special Amusement Permit for Julie C. Hagerman & R. Shiloh Hagerman d/b/a Chaps LLC*

*Selectman Harmon read the Notice of Public Hearing and the Board opened the hearing at 7:05 PM.*

*The Code Enforcement Officer expressed concern with the structural integrity of the deck that is not anchored to the building. He strongly recommended that the owner have it inspected by an engineer. Selectman Harmon read reports from Fire-Rescue and the Police Department. She explained that the issues that most concern the Board include multiple calls for fighting and intoxication which the Board feels may be an indication that the bar is over-serving. One incident involved a motorcycle accident where the driver had a BAC of 0.18%. On another occasion, Buxton Police responded to a report of a stolen vehicle in Chaps' parking lot. While the officer was on scene investigating, the bartender called Dispatch demanding that the Police leave their parking lot. Empty bottles and cans have been observed on the ground in the parking lot which is an indication that people are drinking outside. A discussion followed between the Board and Julie Hagerman regarding those incidents and other issues. The Board also went through the conditions that the Town put on the last liquor license renewal for events held in the parking lot at Chaps. Chaps did not comply with any of those conditions.*

*The discussion ended and the Public Hearing was closed at 7:24 PM.*
