Review of Projects and Issues

Selectman Harmon has been working on the sales analysis report this week. Her initial computation puts the value at ninety-five percent. The other Selectmen will review it next week. After speaking with a Buxton resident regarding the elderly and the storms, she agrees that we as a community need to be more proactive and more aware to check on them when storms occur. The Police Department has a Community Cares Program, where they check in on a list of elderly residents on a daily basis. Through the Towns involvement with the 'Aging in Place' program, we hope to have a list of elderly residents together soon.

Selectman Santolucito spoke with Patrick Bonsant of Saco River Television. The Selectmen invited him to update the community on the services available, one being, live streaming. Krystal Dyer will place him on an upcoming agenda. He also stopped into Public Works and thanked them for all the hard work and everything they did last week, during and after the storm.

Selectman Emery had nothing to report.

Public Comments and Questions

Selectman Harmon offered sincere condolences to Selectman Emery and his family for the passing of his Dad, Louis Emery. He was very active in the community, from being a former Selectman and Road Commissioner and also very involved with the Buxton/Hollis Historical Society, He was always very pleasant to talk with.

Selectman Santolucito's first meeting with Mr. Emery was at the one room school house on Groveville Road. He gave a tour of the school house, but everyone got a lot more than just a tour. He gave the history and he really knew the Town of Buxton. So very impressive and a pleasant man who served the town well.
