Review of Projects and Issues

Selectman Blier received a quote from Patriot Mechanical to repair the broken air conditioning unit. To repair this unit it will cost \$3,500, to upgrade to a new unit it will cost \$7,200. We are still waiting on a second quote.

Selectman Blier stopped in to see Code Officer Peter Gordon concerning a few code issues in town.

Selectman Harmon authorized John Myers to bid on a Town of Buxton evaluation book from 1797. It's interesting seeing how evaluations took place back then. This is very historical for the town. We will be looking into preserving the book to keep it from deteriorating.

Selectman Harmon also talked to Public Works Director Tom Kennie and Transfer Station Director Greg Heffernan. This is the quiet time of year when there's not much going on in town.

Selectman Emery had a conversation with Public Works Director Tom Kennie and Police Chief Troy Cline. We are in the process of reconstructing the dispatch area. Currently there is a Mobile Command Center from York County EMA parked in the back parking lot that houses the dispatchers while their area is being reconstructed. It should be finished the first of next week.

Selectman Emery agrees with Selectman Harmon adding that it will be very quiet for a few weeks and then everything will break lose.
