Review of Projects and Issues

Selectman Santolucito took a phone call from a resident concerning snow plowing on Routes 202 and 112, which are state roads and plowed by the State. The Public Works Crew are doing the best they can.

Selectman Harmon was in last week to sign the payroll and accounts payable warrants. The Public Works crew is doing a great job. People need to take their time, drive to the road conditions and always allow yourself extra time.

Selectman Poitras spoke with Selectman Emery in regards to snow plowing during this last storm. He is also working with Peter Gordon on a continued health concern and a trash pick-up concerning of a Standish resident on Bonny Eagle Pond.

Selectman Emery came in and signed the warrant last week. He's been working with the Public Works Director and it's a learning curve for the new employees.
