Recycling Tips

Boxboard, junk mail and loose paper can be recycled together in the boxboard bin.

Newspapers, phone books, magazines, and soft cover books can be recycled together in the newspaper bin.

Corrugated cardboard and paper bags can be recycled together in the cardboard bin.

We can't recycle plastic bags or any plastic other than #2 plastic. Look for the #2 inside of the recycling arrows. If the plastic is clear as glass (ketchup bottles or peanut butter jars), it is not #2 plastic.

The Following Items Will Not Be Accepted For Curbside Pick-up:

- Demolition or construction debris	- Computers, monitors, television sets, & cell phones
- Liquid wastes, sludges, or oils (including motor oil)	- Car, truck, or motorcycle tires or batteries
- Tree stumps, trunks, limbs, or ashes	- Commercial waste
- Hazardous waste and pressure treated wood	- Leaves, brush, grass, or garden clippings
- Junk vehicles or other bulky metal items such as freezers, refrigerators, air conditioners, washers, etc...	
- Dead animals or portions thereof, or other pathological, medical, or biological wastes	
- Mercury containing items such as fluorescent bulbs, thermometers, and thermostats (Bring to Transfer Station)	
- Inert wastes such as bricks, concrete, asphalt, porcelain fixtures, soil, or rocks	
- Any item not enclosed in a sealed container such as a garbage can or trash bag	

Buxton Has A Curbside Trash Bag Limit

No more than seven 13-gallon bags (standard white kitchen bags), or three 32 gallon trash bags (black contractor bags), or any combination of containers reaching a total of not more than 96 gallons of acceptable curbside waste shall be picked up per week per household. Each container must weigh 35 pounds or less. All items must be in a sealed container such as a trash can or bag. Loose items will not be collected. Trash must be within 4 - 6 feet from the road.

Do your trashcans get blown into the road? Round trash cans tend to roll around and pose a traffic hazard. Consider using rectangular cans or a curbside trash bin to help prevent this potential road hazard.

The Following Items Cannot Be Accepted At the Transfer Station:

- Tree stumps or roots	- Liquid wastes or sludges (except petroleum products)
- Hazardous wastes such as antifreeze, pesticides, explosives, oil based paint (unless dry), or asbestos	
- Dead animals or portions thereof, or other pathological, medical, or biological wastes (we accept needles)	

Need Wood Chips? They're free if your shovel your own, \$5 for us to load you up with our front end loader.

Need Compost? Compost is free if you shovel your own, \$10 for us to load you up with our front end loader.

Need Clean Fill? The Transfer Station gives away crushed glass and inert waste for solid fill. Call 929-3913 to be placed on a waiting list. It will be your responsibility to spread and cover this material. There is no charge for this material.

Share Shop - Come visit our share shop, aka "The Buxton Mall", to leave unwanted items or find new treasures. We have books, toys, clothes, and miscellaneous treasures free for the taking.

Keep The Heat On – The Transfer Station collects returnable bottles and cans for the "Keep The Heat On" program. Your donations will help buy oil for elderly Buxton residents in need. Please ask us for pre-tagged Clynk bags.
