

Proper Disposal of marijuana/cannabis plant material

Please **dispose of all marijuana/cannabis plant material in the compost pile**, then **inform a Transfer Station employee** so we can cover the plant material with compost. Please dump soil out of cloth or other containers.

Please **DO NOT** dispose of any marijuana plant material in the bulky waste bins.

Please **DO NOT** dispose of any marijuana plant material in the brush area.

Please **DO NOT** leave cloth or other containers in brush or compost areas. Cloth or other containers, and garbage bags, can be disposed of in the bulky waste bins.

You will be charged a disposal fee, and/or be banned from the Transfer Station if you place marijuana plant material in any area other than the compost pile.
